**MEMORANDUM FOR ALL GROUP VII PERSONNEL**

**FROM: CC**

**SUBJECT: Group VII Uniform Policy (CC-015)**

1. The Civil Air Patrol is a uniformed organization. Each member is expected to have the proper uniform for the activity he or she is participating in and each unit should develop its own internal policies for uniform wear. It is the policy of Group VII that an authorized CAP uniform will be worn at all group activities as appropriate. Specific uniform guidance for an activity will be announced in memorandums and other policy letters as needed.
2. The group encourages members to wear the Civil Air Patrol uniform whenever possible and in accordance with applicable CAP regulations and directives. Whenever the uniform is worn, it will be clean, pressed, and worn correctly with proper accouterments.
3. Take pride in your uniform and the organization it represents. It is imperative that we portray the proper image to the community and the United States Air Force.
